[REDACTED] Production Estimate - [REDACTED]

25X1A5a1

25X1A

25X1A5a1

1. The [REDACTED] was requested to quote a cost and delivery schedule for a quantity of 5, 10, 15, and 20 Transceiver "C" units identical to the single unit received from [REDACTED] except for the addition of a "Gunsight" telescope for visual alignment. (This unit is being assigned nomenclature as the IS-4).

25X1A5a1

25X1A5a1

2. A preliminary cost and delivery schedule was phoned in by [REDACTED] as follows:

<u>Quantity</u>	<u>Cost</u>	<u>Delivery</u>	<u>(Unit Price)</u>
5	\$22,000	5 months	\$4,400
10	\$39,000	5 1/2 months	\$3,900
15	\$54,000	6 months	\$3,600
20	\$70,500	6 1/2 months	\$3,545

3. It was indicated that the undertaking of the above work would not interfere with other existing and planned development activity at the Chicago facility.
